This year marks the 25th anniversary of the first LEGO® video game ever released. While few may recall the very first title – an educational game made by SEGA® and only released in Japan – the impact of LEGO video games on both the video game industry and the LEGO Group itself is undeniable.

1995
Fun to Build
The first LEGO game was a Japan-only title developed by SEGA® for the Pico

1997
LEGO Island
Helped define what it meant to be a LEGO video game

1998
LEGO Creator
First LEGO sandbox building video game

1999
LEGO Racers
First to allow the building and racing of LEGO vehicles

LEGO Rock Raiders
First LEGO real-time strategy game

LEGO DUPLO® Circus
Never-released game that blended digital and physical play

2001
LEGO Creator: Harry Potter™
First LEGO game based on a licensed property

LEGO Junkbot
One of several popular Flash games for LEGO.com

2002
Creator: Harry Potter™ and the Chamber of Secrets
Inspired the creation of LEGO Digital Designer software

2005
LEGO Star Wars™: The Video Game
Reinvented what it meant to be a LEGO game

2008
LEGO Batman™: The Videogame
First title published by Warner Bros. Interactive Entertainment

2009
LEGO Rock Band™
Rare non-action-adventure game from TT Games

2010
LEGO Universe
First MMO and the LEGO Group's single biggest video game investment

2012
LEGO Juniors Create & Cruise
Most popular early mobile game release

2013
LEGO City Undercover
First open-world LEGO game

LEGO Marvel™ Super Heroes
Top-selling LEGO game of all time

2015
LEGO Dimensions
First LEGO toys-to-life game released

First virtual and augmented reality LEGO video games

2019
LEGO DUPLO® World
First globally released LEGO video game, including China

LEGO Cube (乐高®无限)
First LEGO game made in China for China

Forza Horizon 4 – LEGO Speed Champions DLC
First LEGO downloadable content for a non-LEGO game

LEGO Builder's Journey
First LEGO game created by an internal spin-off studio

2020
LEGO Unity Microgame
First public-use game development tool using interactive LEGO bricks

2021
LEGO Star Wars™: The Skywalker Saga
Culmination of TT Games' many LEGO Star Wars™ titles

Bits N' Bricks

To help celebrate 25 years of video games, the LEGO Group is launching a podcast dedicated to digging out and exploring some of the many fascinating stories and lessons learned from a quarter century of game development. The podcast will feature the most memorable games and, most importantly, some of the dedicated developers who helped bring them to life.

Scan QR code to go to the official LEGO Games anniversary website.

This game is featured in one of the Bits N' Bricks podcast episodes.
